CONSERVATION (AQUATIC)

PRESERVATION

ADMINISTRATION

RATTLESNAKE BAR

- Existing Facilities: Two-lane boat ramp with paved parking for 95 vehicles, Pioneer Express Trail, equestrian staging area, chemical toilets
- Proposed Land Use Designation: Medium Recreation
- Proposed Land Use Focus: Medium intensity recreation
- Possible Facilities/Improvements:
 - Enhance existing facilities: e.g., launch ramps, parking area, toilets, trails, equestrian staging area
 - New recreation facilities: e.g., environmental camp, group camp
- Natural Resource Management:
 - Limit shoreline access and off-road vehicle use to reduce erosion

GRANITE BAY NORTH

- Existing Facilities: Small activity center and picnic area, Pioneer Express Trail, multi-use dirt trails, equestrian staging area
- Proposed Land Use Designation: Conservation
- Proposed Land Use Focus: Natural resource conservation and light recreation
- Possible Facilities/Improvements:
 - Enhance existing facilities: e.g., trails, picnic area, activity center, equestrian staging area, and shoreline areas
- Natural Resource Management:
 - Management plan to protect sensitive plant/animal species
 - Natural resource interpretive program
 - Shoreline access and off-road vehicle restrictions to reduce erosion

OBSERVATION POINT

- Existing Facilities: Paved parking area for 77 vehicles. Area currently closed for security reasons.
- Proposed Land Use Designation: Medium Recreation
- Proposed Land Use Focus: Medium intensity recreation
- Possible Facilities/Improvements:
 - Recreation facilities, such as turf picnic area, trailhead for Folsom Point trail, connections to City of Folsom paths
- Natural Resource Management:
 - Reintroduction of native plant species

PENINSULA

- Existing Facilities: 104-site family camp, restrooms, two one-lane boat ramps, parking for 100 vehicles, Darrington Trail, Parks staff residence
- Proposed Land Use Designation: Conservation
- Proposed Land Use Focus: Natural resource conservation and light recreation
- Possible Facilities/Improvements:
 - Enhance existing facilities: e.g., campground, launch ramps, boat-in day use area, toilets, trails
 - New recreation facilities: e.g., horse/hike/bike camp, boat camp, interpretive trails
- Natural Resource Management:
 - Management plan for protecting sensitive plant/animal species
 - Natural resource interpretive program

MORMON ISLAND COVE

- Existing Facilities: Folsom Point/Brown's Ravine Trail.
- Proposed Land Use Designation: Conservation
- Proposed Land Use Focus: Natural resource conservation and light recreation
- Possible Facilities/Improvements:
 - Enhancement of existing facilities, such as Brown's Ravine Trail
 - No additional recreation facilities
- Natural Resource Management:
 - Management plan for protecting sensitive plant/animal species

MORMON ISLAND PRESERVE

- Existing Facilities: Small wetland preserve. No existing facilities.
- Proposed Land Use Designation: Preservation
- Proposed Land Use Focus: Preservation and interpretation of unique resources
- Possible Facilities/Improvements:
 - Interpretive facilities: e.g., boardwalk, interpretive displays/signs, staging area, small gated parking area
- Natural Resource Management:
 - Controlled access to protect sensitive plant/animal species

FOLSOM POINT

- Existing Facilities:
 - Picnic area, paved parking for 80 vehicles, chemical toilets
 - Four-lane boat ramp, paved parking for 130 vehicles, restrooms
 - Folsom Point/Brown's Ravine Trail, and no shoreline improvements.
- Proposed Land Use Designation: Medium Recreation
- Proposed Land Use Focus: Medium intensity recreation
- Possible Facilities/Improvements:
 - Enhance existing facilities: picnic area, launch ramps, parking areas, toilets, trails
 - New recreation facilities: group picnic area, restrooms, drinking water, trail to Dike 7, trail to Observation Point
- Natural Resource Management: N/A
